FOR IMMEDIATE RELEASE

Z SPACE GALLERY PRESENTS ITS INAGURAL SHOW and ARTISTS' RECEPTION

BROOKLYN, NY Dec. 2009 -- Z Space Gallery of Fine Art, a division of Zelda's Art World in the Midwood section of Brooklyn will have its inaugural show on January 18, 2010. This show will run until March 22, 2010, and will be featuring emerging artists that are from or based in Brooklyn. There will be an artists' reception on Sunday, January 31 from 4:00 pm to 7:00 pm, with many of the contributing artists in attendance.

This first show will be eclectic in nature, offering a wide range of mediums, styles and subject matter showcasing a cross section of artistic expression being produced in Brooklyn. Included are oil, acrylic and watercolor paintings, as well as collage, photography, and more. Future exhibits will be thematic and feature such themes as "Cultural Coexistence", "Scenes of Brooklyn", "Cartoon & Comic Book Art", etc.

Zelda's Art World has been serving local artists for 27 years. Beginning as a small art school in 1982, the retail sales department was added in 1992 and the custom frame shop was added in 2006 and has already been expanded 3 times. The Gallery is the next logical extension. With Z Space we are hoping to give support to local area artists who have helped to support Zelda's Art World through the years by showcasing their unique art. Since every employee at Zelda's Art World is an artist, there is a "simpatico" between the staff and the exhibiting artists.
